Hello;

I'm writing regarding docket number 98P-0151/CP1 - which prohibits the slaughter of downed animals.

In a kinder world, just the suffering that the animals endure would be enough, to make this situation change.

The USDA's decision to discontinue use of 'downers' in the school lunch program, speaks volumes. It's simply not worth the potential health risk.

Removing the market for downed animals would be instrumental in preventing them in the first place.

Please grant the petition to prohibit slaughter of downed animals - 98P-0151/CP1. Thank You,

Jennifer Napoli
