Sirs & Mesdames,

Docket # 98P-0151/CPI

7463 '00 NOV 30 A11:27

I urge you to grant Farm Sanctuary's petition to prohibit the slaughter of downed animals.

This hideous and insanely cruelty to dumb beasts must be stopped.

Are there not any laws extant to alleviate this heartless treatment of trusting, kindly animals? I've lived on farms all of my life and am aware of the callous indifference of most ranchers to their animals.

Thank you.
