LOTRIMIN® AF

LOTION ANTIFUNGAL

- **Cures jock itch**
- **Relieves itching, burning, chafing, and discomfort**

FOR BEST RESULTS, FOLLOW DIRECTIONS AND CONTINUE TREATMENT FOR LENGTH OF TIME INDICATED.

INDICATIONS: LOTRIMIN AF LOTION cures jock itch (tinea cruris). For effective relief of the itching, scaling, burning, chafing and discomfort associated with jock itch.

DIRECTIONS: Cleanse skin with soap and water and dry thoroughly. Shake well before using. Apply a thin layer and gently massage over affected area morning and evening or as directed by a doctor. Best results for jock itch are usually obtained with 2 weeks use. If satisfactory results have not occurred within this time, consult a doctor or pharmacist. Children under 12 years of age should be supervised in the use of this product. This product is not effective on the scalp or nails.

WARNINGS: For external use only. Avoid contact with the eyes. Do not use on children under 2 years of age except under the advice and supervision of a doctor. If irritation occurs or if there is no improvement within 2 weeks, discontinue use and consult a doctor or pharmacist. Keep this and all drugs out of the reach of children. In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately. Use only as directed.

ACTIVE INGREDIENT: Clotrimazole 1%.

INACTIVE INGREDIENTS: Cetearyl alcohol, cetyl esters wax, octyldodecanol, polysorbate, sodium biphosphate, sodium phosphate dibasic, sorbitan monostearate, water and, as a preservative, benzyl alcohol (1%).

Store between 2° and 25° C (36° and 77°F).
