DEAR U.S. FOOD and DRUG ADMINISTRATION:

My name is Mirla A. Perez and I am a Systems Engineer for Rockwell Collins. I urge you to pass the FARM Sanctuary's petition to PROHIBIT THE SLAUGHTER OF DOWNED ANIMALS. IT is cruel and morally wrong and if your organization is in any way a moral one you can see this fact also. IT was once said that a country should be judged by the way it treats its animals. IF we go ahead and just do that, this country does not stand very high. Animals are like babies - INNOCENT. they look for us for care and love. IT is everyone's job to look out for all creatures. You, the U.S. FOOD and DRUG Administration, can help in this job. the fate of these innocent creatures lies in your hands. I hope you make the correct and only decision.

Regards,
Mirla P
