Docket # 98P-0151 / CP1 12/5/00

0964 '00 DEC 13 A10:27

To US Food and Drug Administration,

I am writing to voice my concern about the slaughter of "downed" (disabled) animals for food/nutrition. I believe that these animals are severely mistreated/abused and that this needs to STOP. Sick and/or disabled animals should be humanely euthanized, in a timely manner.

Please consider this and act accordingly by granting Farm Sanctuary's petition to prohibit the slaughter of downed animals-

Docket # 98P-0151 / CP1.

Sincerely, C 3208
