Dear FDA

1228 '00 DEC 15 A10:01

re Docket No. 98P-0151/CP1

We are writing to urge that you grant Farm Sanctuary's petition to prohibit the slaughter of downed animals. This is a cruel and also a dangerous practice. Dangerous because of the consumption of these meats by humans. One would expect much more from a country such as the U.S.A.

Yours truly
Louise and Lewis Goldfine
(Dr. & Mrs.)
