Docket # 98P-0151 / CP1.

1540 '00 DEC 21 A10:07

Dear US Food and Drug Administration:

I would like you to grant the Farm Sanctuary's petition to prohibit the slaughter of downed animals.

It is very sad when any helpless living creature must suffer horrible mistreatment, abuse and a painful death.

Surely, preventable cruelty helps no one in a society except for a few brutal people who care only for the extra few pennies they get.

Sincerely,
Marilyn Wallas.
