Dear Sirs:

Downed animals should not be fed to people. My friend & I were fed downed animal meat; & got bad stomach aches fro it. Besides if you are fed enough of it. You go ~~[illegible]~~ insane.

Congress should make a law against feeding downed animal meat to people. I am in favor of docket # 98 P 015/CP1. It is about time something was done about this issue; before another year goes by.

Sincerely,
Charlene Ocker
