Dear People at the U.S. Food & Drug Administration,

I write to give my voice to urge you to grant Farm Sanctuary's petition to prohibit the slaughter of downed animals. We as a people must open our eyes and hearts and be the humans we were created to be. We were given Stewardship over God's Creations. We must remember, His awaken to this Gift. What joy His Gift offers us all as we fully awaken to it. As we give respect to
