Docket Number 98P-0151/CP1

4369 '00 NOV 15 A9:29

TO: Food & Drug admin.
RE: Downed animals.

To whom it may concern:
I am appoiled at what I have read about downed animals and their treatment. This process is cruel and inhumane. I love animals so much and I would be willing to cut beef out of my diet if it meant saving these animals from a cruel death. There is nothing wrong with humanely slaughtering an animal but letting sick animals suffer for days on end with no food or doctor care or water is wrong. It's inhumane and I want it stopped.

Sincerely,

Dayna Greenroop
