Honorable Donna Shalala
Secretary of Health and Human Services
200 Independence Ave. S.W.
Room 615 F
Washington D.C. 20201

Dear Secretary Donna Shalala:

I am writing to you about the concern I have about the FDA proposal for dispensing of Hearing aids in this country. If this proposal is passed it will effect are health care and our jobs. So please stop the FDA from acting on this proposed Hearing aid Ruling.

Sincerely yours,
Kimberly Hogan
