Dear Dr. Yetley:

Pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994, Omega NutriPharm, Inc. wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a statement of nutritional support.

The dietary supplement for which the statement is made is a standardized extract of Siberian ginseng (*Eleutherococcus senticosus*). The statement of nutritional support reads as follows:

- Maxim L is an all-natural, caffeine-free supplement that helps increase energy, as well as overcome stress and fatigue.
- Helps fight fatigue.
- Helps increase energy.
- All-natural energy supplement.
- Supports the body's natural defenses. Promotes better health.

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

This statement of nutritional support is based on a large body of data which, in our judgement, renders these statements substantiated, truthful and non-misleading.

Sincerely,

John M. Mayhall, Jr.
President
