Commissioner Jane E. Henney
Parklawn Bldg., Rm. 14-7
5600 Fishers Lane
Rockville, Md. 20857

Dear Mr. Henney:

As a member of the Center for Science in the Public Interest, I urge you to ban the use of medically useful antibiotics in animal feed. Adding antibiotics to feed can make bacteria resistant to those antibiotics and can leave physicians with no way to treat life-threatening bacterial infections in humans.

Sincerely,
Janice M. Clark
