Dear M. Henney:

re. Docket 99P-0033/CP 1

Please act on the Humane Farming Association petition to put an end to the practice of feeding dead pigs, horses, and other animals to other farm animals. Cows are not meat eaters by nature, and they should not be forced to eat dead animals. Besides, there is the risk of Creutzfeldt-Jakob Disease (CJD) spreading to humans.

Thank you.

Sincerely,
Ronald D Brown
