Re. Docket # 98N-1265 '99 JUL 29 A9:01

Dear Sirs:

I am writing this letter to register my disapproval of the MOU as published by the FDA on Jan 21, 99.

In its present form the MOU, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of physicians & patients to obtain healthcare products from the provider of their choice. It also infringes on the rights of compounding pharmacists to serve the public's medical needs. - Having finally found a pharmacy that will help me with the medication I need I am upset about the possibility of my not being able to receive that medication, regardless of where I live or travel.

I would like to state very strongly that I feel this MOU must be amended.

Sincerely,
Cheryl Simpson.
