Good morning –

Please see FDA's information sheet on Payment and Reimbursement to Research Subjects (2018).

Search for FDA Guidance Documents > Payment and Reimbursement to Research Subjects - Information Sheet

Kind regards,

The OGCP Group

Subject: Fwd: research participants needed listed on [redacted] salary?

Hello.

I came across a research participant ad while searching Indeed.com for employment. As a CCRC for over 20 years I was quite alarmed. Is this type of advertising acceptable? Honestly, I thought it was inappropriate. It may not be. That is why I am contacting you. The site is in [redacted] I have attached my screen shot.

A few years back, there was a billboard in [redacted] Call us today about being in a clinical study for [redacted] That time I was also concerned.

Thank you for your knowledge and expertise in this matter.

Best,
