Order

On February 18, 2005, Complainant, The Center for Devices and Radiological Health, and Respondents Juan C. Carrai, Richard W. Stone, M.D., and Erlinda E. Enriquez, M.D., submitted a Joint Motion to Amend the Scheduling Order of November 22, 2004. The amended schedule, which will govern the future procedural course of this proceeding, is adopted as set forth below:

1. Discovery will be completed by March 25, 2005.
2. Dispositive motions will be filed by April 22, 2005.
3. Joint stipulations will be filed and witness lists will be exchanged by May 20, 2005.
4. Documentary evidence and written direct testimony will be filed by June 17, 2005.
5. Motions to strike will be filed by July 1, 2005.
6. Replies to motions to strike will be filed by July 29, 2005.

2004H-0322.
