Mr. Carlos Gutierrez
Chief Executive Officer, Kellogg Co.

98 JUN -6 P2:19

Dear Mr. Gutierrez,

I am writing to you to protest any use of genetically engineered ingredients in your products. Long term studies of such ingredients and their food safety have yet to be undertaken. Until the safety of GMOs has been proven please adopt the policy not to use these GMOs (as you have pledged to do for the European market). Thank you for your kind consideration of this important matter.

Sincerely,
Barbara A. Johnson
