Ms Topper -
Before the pain center + my rhuematolyst
put me on oxycontin I could not feed
my self - I was aked with pain.
My R.A. is severe + my pain induced
inabilities were so over whelming
I was a prisoner on my bed -
My blessings on the people who
came up with the product. Put
the abusers in jail, dont make
me pay for the abusers. Pain
under control + no side effects
nirvana for me -
