RE: Docket #98P-1194

Dear Ms Henney; Commissioner:

On January 19, 1999, the Center for Food Safety and numerous other organizations and individuals filed a legal petition with the Food and Drug Administration (FDA) asking that the approval of genetically engineered bovine growth hormone (rBGH) (also known as rBST or Posilac ®) be withdrawn.

As a concerned citizen, I am writing to ask you please take immediate action to remove this potentially hazardous product from the market.

Sincerely,

Janice S. Meyer
(Mrs. Janice S. Meyer)
