To the FDA
Dockets Management Branch

I'm asking that you grant the petition of the Farm Sanctuary of Watkins Glen, N.Y. which would prohibit the slaughter of downed animals - docket number 98P-0151/CP1.

1599 00 NOV -2 A10:31

Experts estimate that 90% of downed animals can be prevented with better care and handling. Removing the market for downed animals will provide an incentive for the industry to prevent downed animals in the first place

Thank you!
