Susanne Carson Jessen
225 Ridge Avenue, Winnetka, Illinois 60093

Dear Mr. Henney

1892 '00 AUG 10 A10:36

Please ask for premarket safety testing, comprehensive environmental review and mandatory labeling of Genetically Engineered food.

How can you deny our right to know what is in our food?

Can you put yourself in the shoes of someone with allergies whose life could be threatened by consuming an unknown ingredient in his food?

Thank you for caring about the health of our citizens, especially our children.

Sincerely,

Susanne C. Jessen
