6/26/99

Dear Commissioner Henney,

Hello. Please consider taking a more responsible + more ecological approach for dairy products. I would prefer to buy dairy products from cows not treated with rBGH. Without a national policy on rBGH labeling it is impossible for me to make informed choices. I urge you to look further into the issue so as to adopt definitive national guidelines regarding rBGH labeling. Thank you.

Sincerely,

94 Dandor
