I am writing to express my concern over the FDA's regulation of genetically engineered (GE) food, to ask that the agency's current policies be changed, and to support all the points in docket #00P-1211/CP1. GE foods should not be assumed to be "generally recognized as safe" and should have mandatory pre-market safety testing.

7549 00 JUL 26 A9:54

Sincerely
Norma J. Ward
