Rockville, MD. 20785

Dear Sirs:

I write to urge you to grant the petition that will prohibit the slaughter of downed Animals (98P-0151/CP1). These animals do Not belong "on our tables." If they are too ill to stand or injured how can they be fit for your and my families to consume them? If it's not good for the animal, it is certainly not good for our kids.

Sincerely,
C. A. Richards
