Docket Number 98P-0151/CP1

I am writing to you about the need to end the downed animal trade. First of all, I am appalled at the way these animals are treated.
I urge you to grant the petition to prohibit the slaughter of downed animals. - 98P-0151/CP1.
How can we process these injured animals into the human food chain?
As for the inhumane way that they are treated I cannot believe that such cruelty is allowed to exist in our supposedly civilized country.
Where is our compassion?
Where are our hearts?

Thanking You

Wendy Byland.
