I am appalled at the things I have seen & heard about the treatment of farm animals & domestic animals being made to suffer excruciating pain & suffering before being slaughtered. If that my way your people involved in this horror should be made to endure this suffering in their place.

I will continue to cut down & stop buying beef & pork and will urge every person I know to do the same. In these days of technology and medical wonders there is no excuse for this abominable treatment of our fellow creatures.

I urge you now to grant Farm Sanctuary's petition to prohibit this practice.

Sincerely,
Billie Fulgaro
