Attention U.S. Food and Drug Administration:

My feelings toward the treatment of downed animals stops me from buying and eating beef, pork and poultry.

Eventhough inhumane actions against farm animals occurs out of the public eye – I often think occasionally of their suffering and how much I hope it will someday end.

I urge you to grant Farm Sanctuary's petition to prohibit the slaughter of downed animals: Docket # 98P-0151/CP1.

And please do not allow your slaughter house employees to inflict excruciating pain on cows, pigs, chickens, sheep, ducks, turkeys, etc.

Please write back to me; I would like to know how you plan to prohibit animal abuse.

C 2724

Sincerely,

Samantha Jean Freeland
