To US Food and Drug Administration: 11/2/2000

up to now I was too aggravated - furious to write to you about the cruelty you allow to innocent farm animals. I beg you to grant Farm Sanctuary's petition to slaughter doomed animals. There will (I pray to God!) come a time when we will not raise these beautiful animals to be cruelly slaughtered for food. Docket No 98P-0151 / CP1. Do you believe in GOD?

Sincerely,
Meryl Brautigam Duffy
