I commend you on the recent revision of your policy regarding "downed" cattle. This is a good, positive step in the right direction to end needless suffering of these cattle, and avoiding an unnecessary health risk for consumers.

I would ask you to please seriously consider granting Farm Sanctuary's petition to prohibit the slaughter of downed animals, docket number 98P-0151/CP1. This is beneficial to both the ~~an~~ animals and the potential consumers.

I appreciate your time and consideration in this issue. I hope you will grant this petition, for everyone's sake.

Thanks again.

Sincerely,
Elizabeth Dixon
