Dear FDA,

Please grant Farm Sanctuary's petition to prohibit the slaughter of downed animals. Docket # 98P-0151/CP1. With better care + handling 90% of downed animals can be pre[illegible] removing the market for downed animals will provide incentive for the industry to prevent them in the 1st place. Animals that are too sick or injured to stand shouldn't be allowed in the human food chain. Thank you,

Mrs Rita Flygar
