November 3rd,

To whom it may concern,
I write to implore you to grant the Farm Sanctuary's petition to prohibit the slaughter of downed animals — docket number 98P-0151/CP1.

Animals who are too sick or injured to even stand should not be allowed to enter the food chain. Being English I am also very concerned about the evidence that some downed animals could be afflicted with BSE (Mad Cow Disease), the ramifications of which could be extremely dire. I cannot abide the thought of the undue suffering these poor

please put an end to the damned animal trade.

Yours sincerely,

Jane Morow (Mrs)
