To Whom it May Concern:
Please stop the cruelty to downed and sick animals. These animals should not be used for human consumption, but used for animal food or leather goods. There are more humane means to kill an animal than to let it suffer so. Also a sick animal is a great risk for human beings. I demand to stop all insane sufferings to all animals and even cruelty. I am glad that I eat very little or no meat.

Sincerely yours, C 2859
