Dear Sir/Madam,

Docket# 98P-0151/CP1.

Please grant the Farm Sanctuary's petition to prohibit the slaughter of downed animals. These sick or injured animals are unable to stand and they must not be entered into the human food chain.

These unfortunate suffering animals cannot be moved humanely and they must not be dragged with chains or pushed with vehicles.

Are we such a barbarian nation, that we allow these practices to continue?

I strongly urge you to put a stop to these horrors.

Yours truly
Dorothy C. Ramsaier
