Docket # 98P-0151/CP1

PLEASE WE NEED HELP TO SAVE DOWNED ANIMALS FROM even more exploitation. Its BAD enough these DOWNED ANIMALS ARE slaughtered, but to Allow a sick animal to be left to die with no medical attention IS very inhumane. Help take the profit out of cattle exploitation AND raise the STANDARDS FOR all those making A profit from animal abuse. This portion of the slaughter process needs to be more strictly governed. there needs to be guidelines instituted to protect downed Animals Furthermore protecting downed animals ultimately leads to protecting the lunatics out there eating dead Animals
