To FDA Commissioner Jane Henney 99-3 A9:48
In reference to Docket 99P-0033/CP1

I am strongly demanding you act on the HFA petition to put an end to the practice of feeding dead pigs, horses, and other animals to other farm animals. Cows are not meat eaters by nature and they shouldn't be forced to eat dead animals. This is an absolutely disgusting thing to do to the livestock. And it's cruel. Would you like to eat dead humans? I wouldn't. I think animals deserve the same courtesy.

Sincerely,
Jessica R. Moroniff
