I urge you to act on the HFA petition to put an end to the practice of feeding dead pigs, horses, & other animals to other farm animals. Cows are not MEAT EATERS by nature and they shouldn't be forced to EAT dead animals.

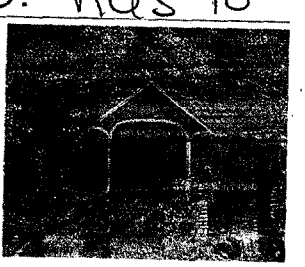
It is totally sick and inhumane the treatment of cows & other farm animals! And of course the Veal - the poor calves.

I am also writing Donna Shalala, Sec Dept of Health & Human Services. This U.S. has to document CSD diseases!



Thank you
