Dear Ms. Henney,

1124 '00 JAN -3 A9:55

I am writing to let you know how concerned I am about CJD and other variant, related diseases. I have read about the Humane Farming Association's petition (Docket 99P-0033/CP1). I strongly believe our government should require adherence to the demands of that petition. This is an extremely important issue.

Yours truly,

Cynthia Warren
