1/24/00

From the desk of:

Sanford Levy, M.D.
Mary Donohue, F.N.P.

To Whom This May Concern

4864 '00 JAN 28 P2:40

I am strongly in favor of new regulations which require listing the trans fatty acid content of foods on the label. These trans fats are dangerous to human health, and info regarding their presence/quantity should be on the label of all foods.

Sincerely

Sanford Levy MD
