Comm. Jane E. Henney,
5600 Fishers Lane
Rockville, Md. 20857

Dear Comm. Henney:

As a woman who has suffered with many urinary & pulmonary infections, I am concerned with our country's policy of allowing farmers to add antibiotics to animal feed.

I urge you, on behalf of all Americans, to do what you can to stop this dangerous practice. Certainly the interests of meat packers and drug companies should not be allowed to come before the health of our citizens.

Respectfully concerned,
Marilyn Serino
