Jane Henney
Commissioner,
Food & Drug Administration

2821 '00 JAN -6 P12:25

Dear Dr. Henney

I urge you to use your offices to ban animal uses of growth-promoting antibiotics.

There is a rise in untreatable infectious diseases and I ask that you take more immediate action on this issue.

Europe is well ahead in this from the efforts of the U.S

Yours truly,

Phyllis Greene
