Jane Henney, M.D
Commissioner, Food & Drug Adm.
5600 Fishers Lane Rm 14-71,
Rockville, MD 20857

Dear Dr. Henney, —

Please safeguard my grandchildren's lives by banning the use of anti-biotics in livestock. If the corporate farmers pay more attention to hygienic living conditions for their animals, anti-biotics would not be necessary. And nothing can justify their use for profit, when they contribute only to growth.

If this practice cannot be stopped, then at least mandate labelling, so we know what

we're eating, & can choose not to do any we wish.

Sincerely,

Sara Atkinson
