Community Health Centers
of King County

Eastside Community Health Center
16315 NE 87th, Suite B6
Redmond, WA 98052
(425) 882-1697

12 20 99

To Whom It May Concern:

I am a physician at the above clinic, and I fully support the itemization and disclosure to the public of the amount of trans fats contained in food.

I do my best to educate my patients about their diets, but anything which helps patients/consumers to identify hidden trans fats will help compliance.

Thank you,

Joann Dechant ND
