Ref Docket # 97N-0511

I would like to express my opinion on the pasturization of the orange juice.

I have been drinking the Katrina orange and grapefruit juices and have never found anything wrong about it. My whole family drinks it.

We have been drinking it for over 15 years. It does not need pasturization.

Trusting that you will do the necessary thing and not vote for pasturization.

Thank you
Sincerely

Mary C. Ourigemma
