Dear Commissioner Henney,
this is to implore you
to please do all you can,
to see that we do not
GE foods being forced
on us. Docket No. 00P-1211/CP1

Due to a cancer scare
I am trying to eat organic
food + do everything in
my power to feed my
body in a healthy way—
this GE method will
not help me or any
one.

Sincerely,
Geny Le Duke
