TO: JANE HENNEY, MD. COMMISSIONER, FDA

WHEN I CHOOSE FOOD LABELED "ORGANIC"
I EXPECT 3 THINGS 1) PESTICIDE FREE
2) HERBICIDE FREE
3) GM FREE

ALL OF THEM ARE IMPORTANT!
I REALLY DON'T WANT ANYTHING GENETICALLY MODIFIED & WOULD MUCH APPRECIATE IF THESE WERE REQUIRED TO BE LABELED. ALSO, THOSE COMPANIES SHOULD BE HELD LIABLE FOR ANY HARM THAT MAY COME FROM HANDLING, GROWING, OR CONSUMING THEM.
