Re: Docket # 00P-1211/CP1

0223 '00 JUN 23 A9:55

Dear Commissioner Henney

I am writing as a concerned citizen to urge the FDA to require the labeling and pre-market safety testing of genetically engineered foods. We have the right to know what is in the food that we are purchasing. There may be unexpected side-effects from genetically engineered foods ('it's the law of unintended consequences).

You need not respond to this letter.

George Goth
