[redacted] Donna Shalala, Secretary, U. S. Dept. of Health and Human Services
[redacted] Irradiation in the Production, Processing and Handling of Food

[redacted] Secretary Shalala: [redacted]

[redacted] concerned about the FDA's proposal to eliminate the labels from foods [redacted] with radiation. I strongly believe I have a right to know if my food [redacted] been irradiated. I urge you to support the rights of citizens by maintainin[redacted] permanent, prominent and precise labels for all foods treated by radiation.

[redacted] would be Democra[redacted]

[redacted] at Work! The [redacted] right to Know
