FDA Mgmt. Branch, (To whom it may concern) 4-17-2000

I'm aware of the petition filed with the FDA in Washington to ban the use of genetically engineered Bovine Growth Hormone on dairy cows. Please act on DOCKET # 99P-4613.

This would prevent the use of unhealthy + inhumane BGH on dairies. Please act on Docket # 99P-4613.

Sincerely, S. Jacobs
