Docket # 00P-1211/CP1
5630 Fishers Ln., Room 1061 (HFA-305)
Rockville, MD 20852

Dear Jane Henney,

I am deeply concerned about the safety of genetically engineered foods and products. I hope that the FDA will require that

- No new genetically-engineered foods or products with GE ingredients be released until the FDA requires long-term safety testing of all GE foods before they go to market.
- All GE foods presently on the market be labeled, giving consumers the right to know what's in the food they are eating.

Sincerely, C8812

00P-1211

Audrey Miller
